

The background is a light beige or cream color with a mottled, watercolor-like texture. There are several faint, large-scale floral sketches in shades of pink and purple. In the top left corner, there is a dark green vine with small, pointed leaves and clusters of tiny, light-colored flowers. In the bottom right corner, there is a similar dark green vine with larger, more detailed leaves and small flowers. The overall style is delicate and artistic, typical of hand-painted botanical illustrations.

## *Rust of Nature*

The dramatic colours of natural minerals form the basis of, 'Rust of Nature'. The combination of muted golds, corrosive reddish browns mixed with hints of jade and blue create a palette as rich as nature itself.
