Lime / Berry

This confident and exciting combination of colours works well across browns and deep neutrals and helped to launch the move into brighter, purer chromatic colours working with berry tones.

This colour theme can create a contemporary interior of great drama and freshness.

The Lime / Berry colour story features a selection of original fabrics chosen for Brintons by Baumann and matched to our standard colours to compliment the colour themes of each Katagami story.

Brintons

Ruby / Cerise

Dramatic, bold, bright and rich all at the same time. This adventurous combination from the red scale mixes pure pink and ruby on a variety of backgrounds to give a very fresh and energised look.

Organic florals and powerful geometrics hint at the retro-cool of the 1970’s, creating a very dramatic yet modern interior.

The Ruby / Cerise colour story features a selection of original fabrics chosen for Brintons by Baumann and matched to our standard colours to compliment the colour themes of each Katagami story.

Sienna / Spice

Mixing gold and rust with soft greens, this palette displays an autumnal colour combination which presents a contemporary look with a familiar feel.

The olive tones can be used as a catalyst for combining softer green or khaki neutrals accented with hot spice colours.

The Sienna / Spice colour story features a selection of original fabrics chosen for Brintons by Baumann and matched to our standard colours to compliment the colour themes of each Katagami story.
