

Brintons

Project: Hotel Nia, Autograph Collection

Details: 1,900 SY Axminster

Alongside the McCartan NYC team, Brintons designed and manufactured approximately 1,900 square yards of custom Axminster carpet for tech-forward VIP meeting rooms, public spaces, ballrooms and pre-function spaces for the Hotel Nia—a Marriott Autograph Collection hotel—in Menlo Park, CA.

Apart from large textural areas of broadloom carpet in meeting rooms, Hotel Nia also utilizes Axminster rugs from Brintons – including one from our Terra-Grit collection – to anchor furniture and create cozy nooks amongst the business focused space.
